Project Link: https://github.com/ayush992/Toxicity

Measures different levels and type of toxicity of comment

Portfolio

Key Skills: HTML CSS Javascript JQuery

Project Link: http://ayushportfolio01.netlify.app/

This is a portfolio I built using HTML, CSS and JavaScript. The about section provides more detailed information about me. The skills section lists my skills and experience in detail. The projects section showcases the projects I have worked on. The contact section provides a way for visitors to contact me.
I believe this website is a great way to represent me in front of employers and clients. It is responsive and easy to use. I am proud of this website and i hope you will take a look at it.
